How Teams Will Advance to the Championship Round

- 1
- Each team will play a "Round Robin" match against 2 of the other teams in their flight, with the teams who have the best "Win / Loss" record in each flight advancing to the Championship Round.
- 2
- If two teams are tied with the same "Win / Loss" record, then the team who won the Round Robin match between the tied teams will advance to the Championship Round.
- 3
- If the teams are still tied with the same "Win / Loss" record, and the head to head matches do not declare a winner, then the team who won the most points in their 2 matches will advance to the Semi-final Round.
